LIFE, ELEVATED DAILY

Strive Senior Living offers an enriching environment where residents enjoy services and amenities to promote their independence.

Residents can customize their lifestyle with several apartment floor-plans to choose from, heart and brain healthy dining options, a full calendar of activities, and associates available 24/7

OUR VISION

We are defining a place that gives seniors the opportunity to thrive in a vibrant community while experience excellence in care and thoughtfulness in everything.

OUR MISSION

We are committed to providing a middle-market, accessible option for senior care without sacrificing quality. We treat our residents like family, and by extension, their families become our family. And by doing this, we will create life-long brand ambassadors.
